A FOCUSED EDUCATION AT AN AFFORDABLE PRICE.

Eager to educate

With involved and experience-laden instruction from an ambitious collection of SUNY Chancellor Award winners, doctorate-level educators and accomplished Western New York professionals ECC is equipped to guide students forward—whether to a four-year college or into employment.

Focused on the future

Since 1946, students and professionals from varied ethnic, economic and geographical backgrounds have found ECC accommodating to their focused aspirations. With more than 100 associate degree programs to choose from, we continue to be their path to success.

Affordability to achieve goals

ECC is still one of the most affordable higher education choices in Western New York. With financial aid opportunities and over \$220,000 awarded annually in student scholarships, we have the ability to help you direct, redirect or restart your professional future.

A SUPPORTIVE ENVIRONMENT TO MOVE YOU FORWARD.

Curriculum crafted for the workplace

Every one of our 26 one-year certificate programs are conducted with one goal in mind: to give you the training necessary for immediate—and sustainable—employment. Whether focused inside Baking and Pastry Arts, CNC Machining, or Crime Scene Technology, our courses take you from the training floor to the workforce.

Support to surge forward

From academic advisement to career counseling, child care centers to bilingual assistance, and veteran support to tutorial support, ECC takes pride in its support of students. As a service-minded institution, our success is based on preparing you to succeed. We're here to lend a hand—and lead you to a brighter future.

Tools to foster development

ECC's three campuses amid Western New York satellite sites offer opportunities to train with today's most cutting-edge technology in intimate class settings. Whether studying for a career in nursing, biomanufacturing, or industrial technology, you'll find the necessary educational and professional resources within our mentoring environment.

SUPPORTIVE ENVIRONMENT

RECOGNIZED EXCELLENCE

As an honoree in Community College Week's annual "Top 100 Associate Degree and Certificate Producers" list, ECC is nationally recognized for putting students' futures first.

FLEXIBILITY AND OPTIONS TO MEET YOUR NEEDS.

Flexible options

Along with more than 100 traditional degrees and certificate programs, ECC offers more than 250 courses online through our Distance Learning Program.

Easing transition

ECC offers corresponding curriculum for the area's identified growth fields, such as construction management, culinary arts and nursing.

Assistance to enable advancement

With more than 60 articulation, dual-degree and joint admissions agreements with four-year SUNY schools and private universities like St. Bonaventure and Syracuse, ECC can provide seamless transfer opportunities for continuing students. And, with a 90% student transfer rate, we've been successful in doing so.

COMMUNITY IMPACT

AN IMPORTANT ROLE IN OUR COMMUNITY.

Investing in Western New York

More than 70,000 ECC alumni live, work and raise families in Buffalo and its surrounding suburbs. ECC has an estimated \$668 million impact on Western New York's local economy. ECC continues to be the #1 choice of high school students in Western New York.

Kats pride through competition

ECC offers 13 intercollegiate sports. Our men's and women's programs have ranked among the top junior college programs in the nation, winners of 125 Western New York Atlantic Conference or NJCAA Region III titles and 54 national championships.

Partnerships to enable employment

Over years of supplying skilled and motivated professionals, ECC has formed successful partnerships with Western New York businesses like Delaware North, Kaleida Health, Moog Inc., and legions of others. These relationships have bolstered ECC's reputation as an area leader in job training—and unrivaled in job placement.
